The Leadership Development Program assists the next generation to assume greater leadership roles in their family businesses. Attendees develop confidence, plan for the future, learn to apply new management skills to company projects and build a peer network of support.

The program includes sessions on:

- Understanding effective leadership.
- Building self-awareness and a personal vision.
- Motivating employees.
- Building a synergistic team.
- Managing confrontation and conflict.
- Becoming a resonant leader in the organization.

The eight-session program meets once a month for full-day work sessions. A certificate in family business leadership will be awarded to those who successfully complete the program. For additional information about the 2012-2013 program and dates of the work sessions, visit <http://www.familybusiness.unh.edu/leadership.html>.
